The Pet Lodge provides a healthy, clean, and fun facility to board family members. We provide regular exercise and socialize them with other pets when possible. The Pet Lodge staff cares for your pet(s) as if they were their own. The Pet Lodge provides Sensitive Stomach from Hill's Science Diet as part of their regular diet along with treats and rawhides with owner's consent. Medication, food and treats are given according to the owner's instructions. The Animal Medical Center works closely with The Pet Lodge for all our veterinary needs.
